

If clauses

There are three types of "if" clauses :

- condition possible
- condition in theory possible
- condition not possible (too late)

<i>type</i>	"if" clauses	main clauses
condition possible	Simple Present	will + future
condition in theory possible	Simple Past	would + Infinitive (Conditional)
condition not possible	Past Perfect	would + have + past participle (Conditional Perfect)

<i>type</i>		<i>example</i>
condition possible	positive	If I learn , I' ll pass the exam.am.
	negative	If I learn , I won't fail the exam.
condition in theory possible	positive	If I learned , I would pass the exam.
	negative	If I learned , I wouldn't fail the exam.
condition not possible	positive	If I had learned , I would have passed the exam.
	negative	If I had learned , I wouldn't have failed the exam.
